Giving Shape to Ideas

CUSTOMER BENEFITS

Intuitive operability Operate the bizhub like a smartphone or tablet with fully customised user interface

OPTIONS

Print anytime from anywhere with Konica Minolta's innovative mobile technologies

Secure network integration, data encryption, hard drive overwrite, and advanced user authentication

Application ecosystem Enhanced efficiency thanks to Konica Minolta's extensive applications portfolio

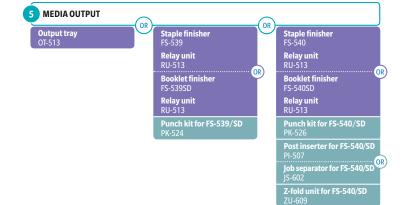

Productivity Reliability, high-speed scanning and printing, combined with powerful finishing functions

Sustainability Numerous eco features reduce energy consumption and costs

¹ Warm-up time may vary depending on the operating environment and usage

- ² If the maximum volume is reached within a period of one year, then a maintenance cycle must be performed
- All specifications refer to A4-size paper of 80 g/m² quality.
- The support and availability of the listed specifications and functionalities varies depending on operating systems, applica-tions and network protocols as well as network and system configurations.
- The stated life expectancy of each consumable is based on specific operating conditions such as page coverage for a particular page size (5% coverage of A4). The actual life of each consumable will vary depending on use and other printing variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and humidity.
- Some of the product illustrations contain optional accessories.
 Specifications and accessories are based on the information available at the time of printing and are subject to change without notice
